The Founder Trajectory™ Method

Know exactly where your business stands, build the plan to close the gaps, and get coached to the standard buyers, lenders and investors look for.

THREE OUTCOMES

Pick the yes you need next.

Increase readiness
Know where you stand and close the gaps

Win more customers
Ready for buyers and contracts

Attract investment
Ready for investors and partners

WHAT HAPPENS IN EACH STEP

Evaluate
Take the free Snapshot, then your full Readiness Assessment, and see exactly where you stand and why.

Evolve
Turn the results into a growth and readiness plan of 3 to 36 months, built around the gaps that matter.

Execute
Work your plan, monitor progress with your dashboard, and increase success with expert coaching.

Elevate
Re-assess, measure your progress and move to your next stage.

HOW READINESS IS MEASURED

One Total Readiness Score, five parts.

Strategic	Is the plan written, measurable, funded and reviewed?
Growth	Can the business deliver and scale?
Customer	Is it ready to win and keep buyers?
Capital	Is it ready for loans, credit and grants?
Investment	Is it ready for investors and partners?

Ready	75 and above
Nearly ready	60 to 74
Getting ready	40 to 59
Not yet	under 40

Each part has its own score, so you see exactly where to focus next.

WHERE TO START

Know where you stand in five minutes.

Free Readiness Snapshot
Takes 5 minutes
Your Total Readiness Score, your strongest area, the three areas holding you back and your best next move.
